WRITTEN CONSENT SALVAGE AND MARINE FIREFIGHTING

T&T SALVAGE, LLC hereby agrees to be named by the Plan Holder as its Salvage and Marine Firefighting (SMFF) Resource Provider for the USCG Vessel Response Plan (VRP) listed below. These SMFF services, and the waters on which they are provided, shall be in accordance with the Oil Pollution Act of 1990, Title 33 Code of Federal Regulations Part 155, and pertinent Coast Guard Navigation and Inspection Circulars, as may be promulgated. In addition, T&T Salvage further agrees to be named by the Plan Holder in any state contingency plans as may be required, including but not limited to California Code of Regulations Title 14, Division 1, Sub Chapter 3.

Plan Holder agrees to provide timely updates to the vessels named in the VRP, including but not limited to vessel additions, vessel deletions, and vessel name modifications.

T&T SALVAGE's incident response times, as outlined in the aforementioned federal and state requirements, shall be contingent upon the Plan Holder's immediate notification to T&T Salvage's 24 Hour Emergency Response Number +1 713 534 0700.
